

SUMMER STUDY ABROAD IN CRETE, GREECE

July 9 to August 10, 2017

Sign on for an unforgettable summer in Crete, Greece the largest island in Greece. During your Summer in Crete, you will take classes at the "University of Crete", visit the historical archaeological site of Knossos, roam the rugged hillsides and gaze at the crystal blue Aegean Sea. Hop a ferry to Santorini sightseeing its active volcano and experience the island and its outstanding beauties. Put your hiking boots to the Samaria Gorge and experience it in all its glory. Delight in traditional cuisine and bask in the warm hospitality of the Greeks.

The summer sessions at the University of Crete allows you to choose accredited courses from various academic disciplines in Pre-Med, Bio Sciences, Education and Philosophy. The program is a 4 week session studying at the University of Crete (UOC) at Heraklion. You can take two courses and earn from 8-12 credits. All courses are taught in English. Classes are taught in the early part of the day and the late afternoon leaving you with ample time to study and enjoy the surroundings of Crete. All students must attend classes and take final with Graduation ceremonies to follow. Housing provided at university dormitories in double rooms.
